The Edventures Global Business Acceleration (GBA) Summit Briefing

Esperanza is a non-profit organisation that seeks to promote new ways to learn, live, work and channel community resources to support innovators with effective solutions.

The event has invited thought leaders, talent development experts, technology specialists, EdTech business leaders and innovators to look into:

- ✓ talent development needs and trends in Hong Kong and the wider Asia region
- ✓ applications of emerging technologies (AI, blockchain, data analytics and XR) in adult learning
- ✓ roles of government, business and NGO in reskilling and upskilling the workforce
- ✓ EdTech investment and business opportunities in Asia

Registrants will be invited to join a virtual gathering on 7 Oct to learn how they can network with onsite and online participants in the Summit's XR space.
